Subject: Something of Interest for NAPO

Dear Sirs

My husband Scott recently passed away from cancer. He was a police officer in the NYPD and upon retirement, proudly served a tour in Iraq with his National Guard Unit during 2002 - 2003.

I recently donated 50 of his favorite DVDs to a group called Operation DVD. They in turn, send DVDs to our troops stationed in Iraq and Afghanistan.

I think this is a really good thing they are doing and the company in Harrison NY should get their 15 minutes of recognition for doing this.

Their site is [DVDs For Troops](#) and if NAPO thinks it is worthy, please pass the word. I think they can use all the help they can get.

Claudia V. Gill
